

Finding us...

Please can all visitors to Kent Close report to Cumberland Drive Reception upon arrival.
Thank You.

Site Safety

To ensure that your experience at Universal Engineering is a safe one, please familiarise yourself with the following site rules:

A visitors pass will be given to you. Please wear it and ensure it is visible at all times. Please return it to reception when you leave.

Please respect our traffic management systems. Make sure you give way to pedestrians and cyclists.

Upon hearing the fire alarm, your host will escort you to the nearest emergency exit and assembly point.

Hazardous products or equipment are not permitted on site without prior authorisation. Please consult your host.

If an accident occurs, stay calm and contact reception (dial 100) or your host.

Eye protection and protective footwear are mandatory in all designated areas. Hearing protection is available for manufacturing areas.

Please report all hazards or concerns to your host, we will ensure they are dealt with promptly.

CCTV security cameras are in operation on all Universal Engineering sites. Use of photographic equipment is prohibited without prior permission.

Smoking is only permitted in designated smoking shelters.

We hope that this information will make your experience with us effective, enjoyable and safe.
